FROM THE CHAIRMAN'S DESK

Education is an ethos that your child imbibes to transform his life. At Green Country Public School, our goal is to provide a state-of-the-art academic education within a friendly, caring community.

I find great pleasure and a privilege to welcome each one of you to
Green Country Public School - A School with a difference....!

Schools are like temples which help enlighten the mind and behaviour of students. And, teachers are the artisans who shape children under their guidance. Hence, we at Green Country Public School are committed to giving each one of our students an education and a learning experience of a lifetime. Here, we go beyond the boundaries of books and trek the unseen. We inspire and enthuse, encouraging young minds to think, question and imagine. In the friendly atmosphere and comfort of our classrooms, we strive to make learning a joyous experience and a process that every child looks forward to.

With beautifully manicured lawns and state-of-the-art-infrastructure the school understands the needs of the present times where education goes beyond the mastering of the three R's.

T.P. Ravishankar B.E., M.Tech (Structs)
Chairman & Managing Trustee

Outstanding examination success will be an important element of Green Country Public School but it is not enough; we will provide students with a wide range of extra-curricular and enrichment opportunities that will allow them to develop as confident, self-motivated and independent young adults.

I am sure that the school will continue to impart quality education and create its own niche and identity. I hereby invite you to make your child a part of this institution of learning and growing.

SCHOOL MANAGEMENT COMMITTEE

An educational system is worth a great deal if it
teaches young minds how to make a life rather
than just making a living.

The Management strives to create an environment that is
intellectually stimulating and culturally rich, where every student
discovers and realizes their full potential.

The School Management Committee consists of eminent educationists, financial advisors, legal experts, advisors- health & hospitality and sports professionals to give proper guidance to see that the Institution runs in the right line and in right spirit. This committee is headed by Sri. T.P. Ravishankar as Chairman of Governing Council. The Board meets at periodic intervals and offers constructive guidance and suggestions for the qualitative improvement of the school in all realms.

MISSION

The mission of Green Country Public School is to develop an enthusiastic
child, motivated to learn and experience success.

We will accomplish this mission by providing a relevant curriculum taught
by a caring, professional staff in a nurturing environment.

ABOUT US

Certified ISO 9001:2008 from United Kingdom Accreditation
Certification for maintaining International Quality Standards

Green Country Public School, established in June 2001, is an autonomous body of the "Bangalore Technical Foundation Trust (Regd.)" and is managed by a team of Governing Council Members associated with it. The School is a Co-education Day Institution affiliated to the **Council for the Indian School Certificate Examination, New Delhi**. The school embraces the challenge of nurturing individual talents and strengths into valued accomplishments by providing an excellent education that develops character, academic excellence, leadership, social responsibility and physical wellness.

Situated on a 5-acre campus, the School is located on NH-7 and is well connected by road and close to the International Airport. Green Country Public School is the vision of Mr. T.P. Ravishankar, a structural Engineer, a philanthropist and an academician at heart. Mr. T.P. Ravishankar, along with an Advisory Board that comprises of eminent personalities, has envisaged the alumni of the school to become morally strong and knowledgeable pillars of society, spearheading the nation's progress.

The School is founded with the aim of providing young students with a world-class educational experience and has provisions for an outstanding range of activities beyond the classroom. We provide the students with a rich variety of extra-curricular activities like Dance, Music, Art, Sports, Drama and Literary activities. We foster healthy competition, cooperation and respect among students in sports and academics, through our house system. Our faculty lead, inspire, challenge and encourage every child to scale new pinnacles. The aesthetically designed building, its ambience, the landscaping and thematic classrooms make education a joyful experience at Green Country Public School.

CURRICULUM

Our young minds are provided with a comprehensive academic curriculum supported by a system of instructions that encourages the thought process and reasoning which would gear the children to be logical, analytical, critical, creative, innovative and communicative.

Green Country Public School offers a comprehensive learning programme that extends far beyond the confines of a classroom. We realise that each student is different and so our constant endeavour is to help each child realise his potential and discover new horizons. Every activity both inside and outside the classroom at Green Country Public School contributes towards the learning process in different, but equally meaningful ways. Children are strongly encouraged to participate in every aspect of school-life and receive support and guidance from experienced faculty members all the time.

INSIDE THE CLASSROOM

- ◆ With low teacher/ student ratio, every child receives the personal attention that he/she deserves and needs.
- ◆ Unique teaching methods are used to make learning an enjoyable, interactive and engaging process
- ◆ To build curiosity and confidence among children, innovative problem solving techniques, questioning and active participation in discussions are strongly encouraged.
- ◆ Exposures to socio- economic issues increase student awareness.
- ◆ Teachers encourage the children to think, question and freely express themselves during lessons and are approachable and friendly.
- ◆ A practical, or a project based approach to learning complements the traditional and theoretical forms of knowledge building
- ◆ Special emphasis is placed on enhancing language skills
- ◆ A broad range of subjects are taught to provide children with sufficient flexibility when choosing their area of specialization.

OUTSIDE THE CLASSROOM

- ◆ Yoga and prayer form an integral part of the curriculum so that students have a calm and clear mind.
- ◆ A mandatory co-curricular programme ensures that the students step out of their comfort zone and endeavour to learn new skills.
- ◆ Celebrations of national festivals and historic events, foster a spirit of togetherness amongst children.
- ◆ Inter-family and inter school competitions showcases the student's talents and inculcate the spirit of loyalty and healthy competition amongst them.
- ◆ Excursions, field trips and off-campus activities are frequently organized to explore varied areas of interest.
- ◆ Children are encouraged to initiate and manage activities to bring together those with similar interests across academics , sports, arts and other areas.
- ◆ Eminent guests/ personalities often visit the campus to hold meaningful interaction with the students.
